MANSFIELD SKI CLUB
MULMUR ONTARIO

OUR HISTORY

In the Summer of 1961 John Low, with the help of family and friends, began cutting trails to create a family oriented ski area which they called Mansfield Skiways.

On Saturday December 22nd 1962, the first T-bar went into operation and Mansfield officially opened its slopes to skiers. Mansfield Skiways steadily grew from its modest beginnings, a rental fleet of 20 pairs of skis with a ski school of two instructors and in 1983 a group of season pass holders purchased the ski area and the new Mansfield Ski Club was formed.

Since taking over the operation of the ski area, MSC has added a variety of features including: new terrain, two quad chairs, state of the art snowmaking, high tech grooming machines, terrain parks, and a world class ski school. Mansfield has also strived to improve its off hill facets with improvements to the main chalet, adding race facilities, a Kidz Zone, the creation of our Chili Shack and an impressive social calendar for all ages. Through all these improvements and changes the rewarding experience of being a member of MSC remains unchanged.

Mansfield is a true skiers' and snowboarders' club, directed by its members. There is something special about belonging to a private ski community where you watch your kids grow up and create memories that they will carry with them into adulthood. It is not uncommon at our club to see children, parents and grandparents all skiing together on the slopes.

Membership at Mansfield Ski Club is the perfect opportunity for you and your family to enjoy our history and help to build our future.
