MANSFIELD SKI CLUB
Celebrating 60 years

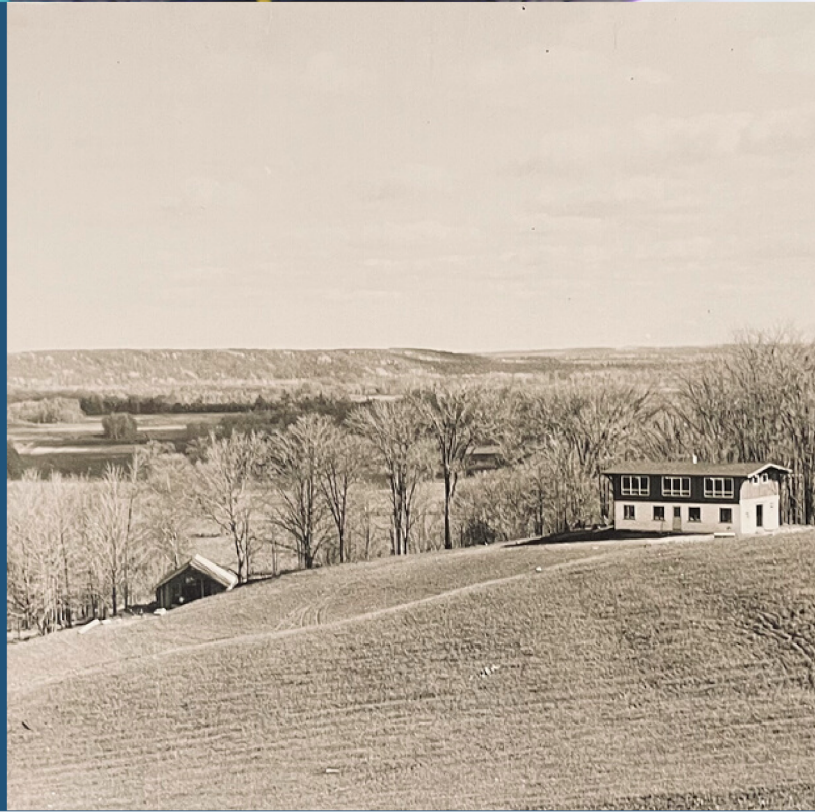

THE CLUB

Mansfield is a community where the family experience is at the heart of everything we do. Here you will find a haven from the rush of city life. It is a place to relax, reconnect with family and make new friends.

HISTORY

60 years of tradition, adventure and pride are always driving the club to be sustainable for generations to come.

THE CLUBHOUSE

Our 12,000 sq/ft Main Chalet, plus our new Picnic Lunch Room, offers indoor seating for our members and their guests. For those looking to dine outdoors, around the Main Chalet are two decks, a patio and ample outdoor tables.

THE SNOW

Great skiing starts with great snow. New snow guns and upgraded snowmaking facilities allow us to make quality snow when Mother Nature has other plans.

A PLACE
TO
GATHER

Summer BBQ's, fall
socials and fun all winter
long will create memories
that last a lifetime and
friendships that span
generations.

A PLACE TO CONNECT
