

IYC Adventure Camp (Age: 5-16)

We are excited to offer Island Yacht Club’s 2023 Adventure Camp. With the picturesque backdrop of the beautiful IYC grounds located on our own private island, campers have the opportunity to learn in and through the outdoors. We will enjoy hiking and exploring nature trails, soaking up the sun at the pool, gliding the inner channels in canoes/kayaks, enjoying a variety of sports and expressing our creativity through a wide range of arts & crafts activities. Our summer day camp offers campers new and fun experiences, skill building opportunities, a sense of community and lasting friendships. With an amazing lineup of activities and adventure-based experiences, campers will be introduced to team challenges, scavenger hunts, cooperative games, orienteering, boat rigging, fire building, shelter constructing, and so much more. Unlimited fun is delivered through our trustworthy and highly experienced staff who are nature and outdoor education enthusiasts dedicated to teaching kids and teens in a safe and supportive environment for personal discovery, outdoor skill development and environmental care. This is a great introduction to the joys of camp for our youngest campers and a fun opportunity for older campers to continue to build relationships and learn new skills in an enriching and exciting environment.
