MORE WINTER. LESS DRIVING.

Midweek Groups 2027

Great skiing. Good company. A day together at Mansfield.

YOUR GROUP DAY AT MANSFIELD

Bring your team together for excellent grooming, terrain with a comfortable progression between difficulty levels, and easy access back to the Main Chalet from every chairlift.

Mansfield is located just north of the GTA with easy access right off Airport Road. We're closer to the city than the Collingwood clubs, which means your group will spend more time skiing and less time driving.

A Warm Welcome Included at MSC

Every group guest enjoys reserved space in the Main Chalet and complimentary coffee and tea from 8:30–9:30 a.m., featuring locally fresh-roasted beans from The Creemore Coffee Company.

Specific rooms may be requested and are allocated according to group size, catering requirements and availability. Reserved space does not include exclusive use of the Club.
